

THE NATIONAL ASSOCIATION FOR ACCREDITATION LEADERSHIP

PROUDLY PRESENTS:

PUT IT IN WRITING

Developing an Effective Policy Manual

FIRE | EMS | LAW ENFORCEMENT | CORRECTIONS | DISPATCH

Hosted by the City of Lakewood, CO Police Department

Policy should do more than sit on a shelf – it should guide decisions when it matters most. In this practical, discipline-agnostic workshop, participants will learn how to write clear, defensible policies, organize an effective manual, and build a sustainable system to keep policies current and aligned with real-world operations across public safety agencies.

This course is ideal for public safety leaders, accreditation professionals, supervisors, and staff involved in policy development or review across law enforcement, fire, EMS, corrections, communications, and emergency management.

Registration: \$179 p.p.

*Registration includes a 1-year membership to NAAL

NAAL Members: Free
