

ADP Advanced Duty Pistol

ADP ADVANCED DUTY PISTOL COURSE

Beyond the qualification. Built for the fight.

FRIDAY · NOVEMBER 6, 2026

0800 – 1700

HIGHLANDS RANCH LAW ENFORCEMENT TRAINING FACILITY · RANGE 8

0800–1200 FUNDAMENTALS & DUTY DRAW · 1200–1300 LUNCH · 1300–1700 MOVEMENT, COVER & QUAL

WHO THIS IS FOR

Sworn law enforcement officers and active or reserve military personnel who carry a handgun on duty — built for those who want performance beyond the agency qualification standard.

COURSE OBJECTIVES

A one-day, 500-round live-fire program developing the duty handgun skills that win fights: speed from the retention holster, accuracy under time pressure, movement, cover, and decision-based shooting.

KEY SKILLS:

- Duty Retention Holster Draw (Level II/III)
- Recoil Management & Cadence Control
- Reflexive Reloads & Stoppage Reduction
- Multiple Target Transitions
- Shoot / No-Shoot Discrimination
- Shooting on the Move
- Use of Cover & Barricade Work
- Positional Shooting (Kneeling / Seated / Compressed)
- LIVE-FIRE COURSE — 500 ROUNDS
- RUN IN FULL DUTY CONFIGURATION

■ ORKA ADP QUALIFICATION ■

Pass the 50-round scored standard at **80% minimum** and receive your ORKA certification for agency training files.

EQUIPMENT LIST

- Duty pistol (agency-issued or approved), zeroed
- Duty belt with retention holster (Level II/III)
- Minimum 3 magazines with belt pouches
- 500 rounds duty or equivalent training ammo
- Ballistic eye protection · ear protection
- Duty vest / body armor if worn on duty
- Weapon-mounted light if duty-carried
- Knee pads (recommended)
- Weather-appropriate clothing · hat · sunscreen
- Food & water (enough for the full day)

PREREQUISITES

Sworn LE officer or active/reserve military · Agency or command credential verification required · Current duty handgun qualification within 12 months.
